5 - What skills or knowledge did you learn or improve from this instructor?

Reiko Laski

Response Rate 11/38 (28.95%)

- Reiko improved my understanding of the materials in this class by going over real problems in an easy, comprehensible way.
- I felt like sections were extremely valuable as I felt it gave me the tools I needed to do the problem sets more so than lecture.
- I was able to build upon what was taught in lecture and apply it to mathematical and graphical models.
- She did a great job of reinforcing the material we learnt during lecture, and was happy to help whenever we were confused.
- Applying class concepts, optimal allocations, etc.
- Clarifying the most confusing parts of the lecture and explaining the models in an intuitive way
- Modelling taxes/subsidies, developing intuition around key results
- N/A
- How to apply the class concepts mathematically.
- optimization problems, drawing trade diagrams
- Taught me about tariffs and ricRdo model, RV, HO model

6 - What aspects of this instructor's teaching were most helpful to you?

Reiko Laski

Response Rate 13/38 (34.21%)

- Organized, simple, concise
- I really enjoyed the teaching style. Going through practice problems on slides that were provided to us before the section was very helpful. The problems were broken down in a way that I could apply it to homeworks and exams.
- Made a conscious effort to answer any of my or my classmate's questions.
- Breaking down bigger problems into smaller pieces.
- Going through section problems, answering questions about lecture.
- Reiko was a great TA and led sections effectively.
- Going over important problems in section, breaking down the steps for solving problems, slides with notes after section
- Responsive to emails (generous to extensions if you submit a PSET 10 minutes late. God bless)
- N/A
- When we did problems that were similar to the psets in class.
- Excellent slides / organization. Generally methodical and clear teaching style. + great attitude and created a welcoming class environment
- Clear explanations and good responses to questions
- Patient, understanding, relaxed
