5 - What skills or knowledge did you learn or improve from this instructor?

Reiko Laski

Response Rate 6/22 (27.27%)

- Approaching trade models we worked on in homework.
- Reiko went above and beyond as a TA. She gave incredibly clear instruction in section and office hours so that I was able to distill the concepts learned in lecture into skills that were applicable to problems sets and exams.
- Better understanding course content and how to do examples of them.
- Overview of course concepts, easily understood explanations
- modeling
- I learned how to take the material abstractly learned in class and apply it to a more quantitative, practical sense.

6 - What aspects of this instructor's teaching were most helpful to you?

Reiko Laski

Response Rate 9/22 (40.91%)

- modeling homework problems, conceptual explanations, problem solving strategies
- Really organized, knowledgeable and friendly!
- Reiko is one of the best TA's at Stanford. Her willingness to support students is unparalleled and her ability to explain concepts in a patient and thorough manner was quite helpful.
- Clear explanations, patience and technical knowledge
- Graphing out the questions, talking about the logic. Reiko was a great TA that was incredibly patient and helpful.
- Always really well-prepared with section slides and strong understanding of class concepts helped me learn a lot in section. I appreciated all the time and effort put into designing section questions that were relevant and helped us prepare for tests and homework.
- Took time to explain the approach of problems, connected concepts to older concepts, very approachable
- Reiko is so sweet, encouraging and great at explaining Econ concepts! Thank you
- Clear communicator Very kind Extremely generous with her time
